18. Medical Attendance for Officers of the AH India Services, Andhra Pradesh State on Higher Judicial Officers :-Rule 15 will apply for purposes of "Medical Attendance" on officers of the Indian Administrative and Police Services and their families and officers of the Andhra Pradesh State Higher Judicial Services and their families.

Note :-The Officers of the Andhra Pradesh State Higher Judicial Service will be treated on par with the members of the Indian Administrative and Police Service.

19. Treatment of T.B. :- (1) Rules regulating admission of T.B. patients in Government T.B. Institutions and other Government

Medical Institutions where there are T.B. wards are given in Appendix V.

(2) The following private Hospitals which are in receipt of grants from the State Government are recognised as treatment centres for the Non-Gazetted Officers and Employees of Local Bodies drawing pay not exceeding Rs. 300 P.M. and their families.

(i) The U.M.T.B. Sanatorium, Madanapalle.

(ii) Visrantipuram T.B. Sanatorium, Rajahmundry.

(3) An officer who wishes to enter the institution for treatment and claim reimbursement of the charges from the Government should obtain in advance a certificate from the local District Medical Officer to the effect that his case is one that requires treatment in specialised T.B. Institution.

(4) Ten beds in the U.M.T.B. Sanatorium, Madanapalle and five beds in the Visrantipuram T.B. Sanatorium, Rajahmundry are reserved in the general wards for the treatment of Government Servants and members of their families.

(G.O.Ms.No. 1257, Health, Dt. 24-7-1956)

Note :-In the first instance the entitled person who has to undergo treatment for T.B. should produce a certificate of non-availability of beds in the nearest Government T.B. Sanatorium and that admission against the reserved beds should be sought only through the District Medical Officers of Chittoor and Rajahmundry.

20. Medical Advances to N.G.Os.:-Government Servants (non-gazetted officers) are eligible for advances to meet the expenses on medical attendance and treatment. The grant of advance shall be regulated by the rules given in Appendix VI.

21. Reciprocal Arrangements with other Governments :-The Government of Andhra Pradesh have entered into reciprocal arrangements with the Government of Madras, Mysore and Kerala for free medical attendance and treatment of Government Servants while they are on duty or in transist at the Hospitals of the respective Government, subject to the following conditions :-

(1) Government Servants of any of the States mentioned above will be given free accommodation in class admissible to corresponding category of the employees of this Government, surgical and Nursing services including X-ray examination, radium treatment and such other special examinations as may be necessary in respect of which facilities are available in the Hospital. Special treatment shall also be given free of charge on the advice of the Authorised Medical Attendant.

(2) The Government Servant in question shall, however, be charged for diet (in the case of Gazetted Government Servants) and they shall also have to purchase such drugs as may not be available in the hospital stores and may claim reimbursement from

their parent Government if it is admissible under their rules.

(3) These arrangements have come into force with effect from 29-8-1963 in the case of Madras Government and 1-9-1963 in the case of Mysore Government.

(G.O.Ms.No. 2382, Health, Dt. 31-8-1963 and G.O.Ms.No. 2997, Health, Dt. 5-11-1963)

Note (1) :-The families of Employees of Tamil Nadu are also eligible for the above facilities when they accompany Government Employees who happen to pass through and stay in Andhra Pradesh on reciprocal basis.

Note (2) :-The Government Servants of Andhra Pradesh availing of the facilities in the Medical Institutions in Tamil Nadu are not eligible for T.A.

(G.O.Ms.No. 371, Health, Di;: 6-4-1976)

Note (3) :-Maharashtra State Government Employees are eligible for free Medical Attendance in the Government Hospital of the State on reciprocal basis.

(G.O.Ms.No. 971, M & H, Dt. 11-10-1976)

22. All categories of Government Servants and other entitled persons who are eligible under current rules for reimbursement of expenses on medical treatment within India would be eligible for reimbursement of expenses incurred on medical treatment outside India for which facilities are available in this Country also, subject to the maximum of Rs. 40,000 (Rupees forty thousand only) which includes, air passage of patient and expenditure incurred towards Personal Attendant also.

They are also eligible for the reimbursement of the actual expenditure on such medical treatment where there are no facilities available in the Country. Expenditure on air-passage of the person treated as well as the air-passage of the accompanying personal attendant would also be reimbursed by Government in such cases.

Note :-The Authorised Medical Attendant should certify whether there is need for treatment abroad and prior approval of the Director of Medical Education/Government in Medical & Health should be obtained by the person who wants to secure treatment outside the Country. The expenditure to be reimbursed should be certified by the Director of Medical Education]. [G.O.Ms.No. 170, M.&H. (K1), Dt. 14-3-1985]

Authors' Note :-The ceiling of Rs. 40,0007- has been increased to 50,0007- vide G.O.Ms.No. H.M. & F.W. (K1), Dt. 2-4-92.

APPENDIX-III

1. The claims of all Hon'ble Minister's, the Hon'ble Speaker, the hon'ble High Court Judges, and members of All India Services, who are Governed by the All India Services (Medical Attendance) Rules, 1954 shall be preferred to the Accountant-General Direct for the Scrutiny and payment of the amounts claimed with the reference to these rules, provided the claims are covered by the rules.

Note:- Any relaxations in individual cases will be dealt with by the Government in the General Administration Department.

2. The reimbursement bills arising-

(i) In the district will be Scrutinised and passed for payment by the concerned District Medical Officers;

(ii) In the Hyderabad city will be Scrutinised and passed by the superintendents of the concerned Hospitals. (G.O.Ms.No.2133, Health, Dt.26-7-1963 and Govt.Memo.No.4473/kk/63-3, Health, Dt.15-1-1964).

Note:- All cases requiring special sanction or relaxation, clarification or interpretation of the State Medical Attendance Rules should be referred to the Government in the Health Department for orders.

EXECUTIVE INSTRUCTION

Medical attendance - Reimbursement of expenditure incurred by Government Servants under Integrated Medical Attendance Rules, 1972 - Reference to Medical & Health Department - Instructions - Issued

(G.O.Ms.No. 3142/K1/85-1, Medical and Health Dept., Dt. 17-4-1986)

Order :-According to Rule 5(3)(iii) of the Integrated Medical Attendance Rules, all claims for refund of expenses incurred on account of the purchase of the special medicines should be preferred in the manner indicated in Appendix III. According to para 2(ii) of the said Appendix, the reimbursement bills arising in the Hyderabad City will be scrutinised and passed for payment by the Superintendents of the concerned Hospitals. According to para 4 of the said Appendix claims for reimbursement should be accompanied by an Essentiality Certificate from the Authorised Medical Attendant or from the Medical Officer incharge of the case in the hospital.

2. With reference to the provisions referred to in para 1 above employees of various departments of Secretariat are claiming reimbursement of expenditure incurred by them on medicines for treatment of self and family members on the basis of essentiality certificate and certificate of non-availability of the drugs given by the Authorised Medical Attendant of the concerned Hospital and sometimes certificate of non-availability of these drugs in the Secretariat dispensary, issued by the Medical Officer of Secretariat Dispensary. The Departments of Secretariat are referring such claims for reimbursement of expenditure to the Medical and Health Department for concurrence. Reference of such cases to this department has been on the increase resulting in unavoidable work load in this department and delay in reimbursing the claims. The Secretariat departments are therefore informed that the proposals for sanction of reimbursement of expenditure for treatment in Government Hospitals within the State which are accompanied by an essentiality certificate and certificate of non-availability of medicines from the Authorised Medical Attendant and when they are satisfied that the claim is in accordance with the provisions in Appendix III to Andhra Pradesh Integrated Medical Attendance Rules, 1972, need not be referred to Medical and Health Department for remarks/acceptance. This applies to the cases referred by Heads of Departments to the Administrative Departments of Secretariat also.

3. However as provided in the note under para 2(ii) of the Appendix III to the Integrated Medical Attendance Rules, 1972, all cases requiring special sanction or relaxation; clarification or interpretation of the State Medical Attendance Rules should be referred to this department invariably.

(iii) For District Medical reimbursement bills, if any doubt arises the medical reimbursement bills other than those pertaining to the Municipal limits of the District Headquarters should be referred to the District Medical and Health Officer concerned, and for the bills arising within the Municipal limits of District headquarters to the Superintendent of the District Head quarters Hospital concerned.

(iv) In twin cities of Hyderabad and Secunderabad, if any doubt arises the medical reimbursement bills arising within the municipal limits of Hyderabad and Secunderabad should be referred to the Superintendent, Osmania General Hospital Hyderabad/Gandhi Hospital, Secunderabad, respectively].

[Added by G.O.Ms.No. 1274, M.&H. (K1), Dt. 29-12-1978]

3. Any claim which has been preferred six months after the last date of the period of treatment shall ordinarily be rejected.

Note :- (1) Belated claims of officers governed by the All India Services (Medical Attendance) Rules, 1954 and those by the State Medical Attendance Rules shall be referred to Government in the General Administration and Health Departments respectively for special sanction.

(2) 15% cut will be imposed upon the belated claims.

[G.O.Ms.No. 2323, Health, Dt. 28-7-1961]

4. Claim for reimbursement should be preferred in the prescribed form and should be accompanied by Essentiality Certificate from the Authorised Medical Attendant or from the Medical Officer in charge of the case in hospital.

Rules Regulating Admission of Tuberculosis Patients in Government Tuberculosis Institutions and other Government Medical Institutions where there are Tuberculosis Wards

1. General :- (1) No patient should come for admission to a hospital or sanatorium unless intimation regarding the availability of a bed is received by him from the authorities of the hospital or sanatorium.

(2) Those who come without notice are liable to be refused admission either for want of beds or if the cases are considered unsuitable for admission.

(3) No case from other hospitals should be sent to the tuberculosis hospital or sanatorium direct, but should be asked to attend the nearest tuberculosis clinic, if such a clinic is functioning within a reasonable distance.

(4) The opinion of the T.B. Control Officer or the Superintendent of Government T.B. Sanatorium or Hospital concerned shall be final with regard to the suitability of a case for admission.

(5) Each patient, whether he seeks admission in the special ward or general ward should be required to pay at the time of registration the cost of telegram that should be sent to him intimating vacancy of bed.

2. Rules for admission to General Wards :- (1) A separate waiting list of all suitable cases should be maintained by each tuberculosis institution.

(2) Patients seeking admission in the general wards of the T.B. sanatorium will be examined by the concerned Superintendent of T.B. Sanatorium who will prepare a waiting list of such patients who require sanatorium treatment and assign a serial number for each patient and communicate the list to the State T.B. Control Officer, Hyderabad. Intimation regarding vacancies will be sent to the patients direct by the Superintendent of the Sanatorium. Each patient will be given a time limit of five days for joining. If no reply is received within five days requesting extension of the time limit for joining the patient will be struck off from the waiting list. On such applications from the patients the time

limit may be extended to a maximum of three weeks for admission.

The Superintendent of the Sanatorium should send to the State Tuberculosis Control Officer, Hyderabad at the end of every month, the serial number of the patients who have been admitted and the serial number of the patients whose names have been struck off from the waiting list for non-receipt of reply.

(3) Admission should be made strictly in the order of priority of entry in waiting list unless some emergency has occurred which requires immediate attention.

(4) Advance cases which have no chance of recovery should not be put on the waiting list.

(5) Letters of recommendations received with regard to admission of patients direct to hospital or Sanatorium should not be taken into consideration, but if on an examination the cases are found to be suitable, they should be included in the waiting list and should take turn along with other cases.

(6) All Government Servants including members of the families, if found suitable for admission will be admitted immediately. Police Constables will be given special priority over other Government Servants. Ex-Servicemen, Suffering with T.B. will be given preference in admission after State Government Servants.

Note :-Central Government Servants and Railway Servants should not be treated as Government Servants for purposes of this rule.

(7) Advanced cases among Government Servants should not be admitted unless it be for purposes of issue of medical certificates, invalidation certificates, etc.

(8) Emergencies which require immediate attention such as Homoeophtysis, Spontaneous, Pneomothorax, etc., whether they are on the waiting list, or not, and whether they are early or advanced cases should be admitted immediately and kept in the hospital or sanatorium till the emergency disappears. After that, if they are found suitable for treatment their names will be included in the waiting list on discharge from the hospital or sanatorium and admitted when their turn comes.

(9) Patients sent by Tuberculosis Clinics and hospitals in the mufassal for operative procedure such as Thoracoscopy, Thoracoplasty, etc., should be taken in directly and sent back to the respective places after operation.

(10) Patients sent from other hospitals for admission should also be put on the waiting list and admitted according to seniority in the waiting list.

(11) Only early cases of tuberculosis amongst convicts should be admitted in the Government Tuberculosis Sanatoria.

3. Rules for Admission to Special Wards :- (1) Heads of Government Tuberculosis Institutions will maintain a separate waiting list

for admission in the special wards, send necessary intimation to the patients and control their admission.

(2) A registration fee of Rs. 257- should be charged for including the same in the waiting list for special wards and this amount should be remitted along with application for admission. This amount will be adjusted towards hospital stoppages payable by patients when admitted. If the patient does not turn up within seven days from the date of receipt of intimation of the vacancy of a bed, and if no extension of time is obtained from the Superintendent of Sanatorium, the registration fee collected will be forfeited to Government and the bed will be given to the patient next in the waiting list.

The registration fee will be refunded in cases (a) where the intimation of a vacancy of bed is sent after three months from the date of registration and where the individual does not then propose to seek admission, and (b) where patients expire before the receipt of intimation regarding the availability of beds or within seven days from the date of receipt of such intimation.

Note :-1. State Government Servants and members of their families shall be exempted from payment of the registration fee of Rs. 251- provided they are entitled to free accommodation in special wards.

2. Patients seeking admissions in the special wards, who fail or find it difficult to obtain and produce the income certificate from the Revenue Authorities, may be admitted in the special wards, provided they give an undertaking to pay the Sanatorium charges and provided they pay the month's advance of hospital stoppages and regular and prompt in the payment of the dues every month.

3. Patients from other States will be admitted only in the special wards.

4. When special wards are not available, a cottage can be built by the Sanatorium authorities provided that the patient is prepared to pay the cost of construction of the cottage.

5. The following procedure shall be adopted for the construction of cottages in the compound of the Government Tuberculosis Sanatoria in the State :

(a) The cottages which have been put up in the compound of the Sanatorium and which are made of brick with mud plaster and thatched roofing should be left as they are. New occupants of these cottages should be asked to effect repairs at their cost when necessary before occupation. They shall be scrapped when they become completely irreparable and no new thatched shed shall be allowed to be put up.

(b) New cottage should be constructed only with durable material.

Each cottage will consist of a twin ward. For the construction of

each cottage consisting of a twin ward the approximate cost is Rs. 2,500/- for the construction of a similar ward. When two such offers are received i.e., when the first twin ward has been occupied completely, a second twin ward should be built on the same model and patients who pay Rs. 2,500/- should be admitted into these wards. When no person is coming forward to pay the contribution of Rs. 2,500/- the twin ward will be kept vacant.

4. Admission of Patients, fit for Surgical Treatment :-Cases provisionally suitable for surgical treatment should also be placed on the common waiting list by the Superintendents of the concerned Tuberculosis Sanatoria, marked the letter "S" in red ink, or in some other coloured ink. Such patients should be told that they are being admitted into the Sanatorium only on a provisional basis that if, after observation they are found suitable, they will be given the necessary surgical treatment and that otherwise they will be discharged from the Sanatorium and put in the waiting list again at the appropriate place. An undertaking in the following form should be obtained from each of such patient.

FORM

"I understand that I am being admitted into the Tuberculosis Sanatorium on a provisional basis for observation whether any case is suitable for a surgical procedure. I agree that, if the case is suitable for such a procedure, I will undergo the necessary surgical treatment. If it is decided by the Superintendent my case is not suitable for surgical treatment I agree to be discharged from the observation ward and to have my name placed in the waiting list at the appropriate place".

The Mass Radiography beds will be used for observation purpose.

Note :-Pregnant women should be given the same priority as in the case of early surgical cases in regard to their admission in the Sanatorium.

5. Discharge of Chronic Patients :- (1) The Superintendents of the Sanatoria will discharge the patients who become chronic even though sputum in positive, thus making the vacant beds available for more suitable or early cases. In order to avoid complaints about the disease of these classes of patients, a committee may be constituted consisting of the Superintendent, Assistant Superintendent, and the Pathisiologist or the Resident Medical Officer where there is no post of Pathisiologist, and it should meet twice a month to decide on the discharge of such patients .

(2) These cases found unsuitable at the time of admission for Sanatorium type of treatment should be kept on for a reasonable period of observation and the medical officer should be empowered to discharge them on making certain that such patients are not likely to be benefited by their stay in Sanatorium any further.

6. Wards for cases detected through Mass Radiography Survey :-In the hospital for tuberculosis diseases, Irrumnuma, ward of 24 beds shall be set apart exclusively for the accommodation and

treatment of Tuberculosis cases detected through mass radiography surveys and a separate waiting list, for this ward will be maintained. The persons in the separate waiting list, if not already admitted into the reserve ward shall be admitted to the other wards in this hospital according to their turn in the order of priority, their names being entered in the waiting list for the general wards also in their turn of priority for the purpose.

7. Medical Attendance on the Tuberculosis X-ray and Radiography Patients :- (i) The following are the Scheduled rates for taking further X-ray picture of a person, who has been initially subjected to mass radiography, if his income is Rs. 100/- per mensem and above provided however, that for the first follow up, half the fees shall be levied.

(ii) With reference to Rule 13(b) hospital stoppages will be levied in respect of persons who are employees of firms, and who after mass-radiography are admitted as in-patients of the hospital for the Tuberculosis Diseases, Irrumnuma even if their income is below Rs. 100/- per mensem and the charges will be collected from the employees concerned. These patients will be admitted only with the consent and permission of the employees. The necessity and urgency for the treatment of such cases should be explained to the employers concerned.

(iii) Fees at the following rates will be levied from employers for issue of certificates in respect of their employees, who are subjected to mass-radiographic examination or treatment for tuberculosis.

	Rs.
Certificate of Medical Examination by Civil Surgeon	-- 16-00
Certificate of Medical Examination by an Assistant Surgeon	-- 5-00
Admission and discharge certificate from Tuberculosis Sanatorium	-- 0-13

(iv) Hospital stoppages shall be levied at prescribed rates from members of the general public who are subjected to mass-radiography and who undergone the treatment in the Hospital for Tuberculosis diseases if their income is Rs. 100/- and above per mensem.

Facilities of admission and treatment to pensioners at Government hospitals Consolidated orders - Modifications

[G.O.Ms.No. 718, M. & H. (K1), Dt. 26-11-1981]

Note :-For the text of the G.O. see Instruction No. 2 of next Chapter.

2. Medical Advance - Treating like T.A. Advance

[U.O. Note No. 5463A/167/A & L/82-1, Fin. & Pig. (Fin. Wing. Accts. & Loans), Dt. 30-3-1982]

Ref :_ i. From the Acctt.-Genel., A.P., I, Hyd., Lr.No. TM/I/II/12-53/76-79/4, Dt. 27-4-1979.

2. G.O.Ms.No. 426, M. & H. (KI), Dt. 28-7-1981.

Order :-In the reference first cited, the Accountant-General, Andhra Pradesh, I Hyderabad has suggested amendments to the Andhra Pradesh Integrated Medical Attendance Rules, 1972 and has requested the Government to issue specific instructions to all the drawing and disbursing officers/all the Treasury Officers and the Pay and Accounts Officers to treat Medical Advance like advance of T.A. and Pay on transfer.

2. The matter has been considered carefully, keeping in the changed conditions the Drawing and Disbursing Officers, and the Treasury Officers and the Pay and Accounts Officers are hereby directed to treat the advance for Medical treatment as an advance of T.A. and Pay on transfer and efforts shall be made that such an advance for Medical treatment is adjusted within the time stipulated, avoid probable objections at a later date.

3. Advances for Medical Treatment

[Memo. No. 39027/724/BG/82, F.& P. (Fin. Wing-B.G.), Dt. 21-9-1982]

Ref. :-G.O.Ms.No. 1274, M. & H., Dt, 29-12-1978.

Order :-Under the revised accounting classification which has come into force with effect from 1-4-1974, the expenditure on Medical advances was being classified under "766. Loans to Government Servants-MH. 25 Other Advances, SH (03) Advances for Medical attendance and treatment. But in consultation with the Accountant-General, Andhra Pradesh, Hyderabad certain amendments were issued to the A.P. Integrated Medical Attendance Rules, 1972, through the reference cited. Among other things it was also ordered therein that the Medical advances shall be treated like advances of Travelling Allowance and pay on transfer and the recovery must be affected by adjustment from the claim for reimbursement of medical expenses. Even though orders have been issued to the above effect, it has been brought to the notice of the Government that the Medical advances are still being accounted for under "Loans and Advances".

2. The Director of Treasuries and Accounts is therefore requested to issue suitable instructions to all District Treasury Officers to adopt the revised classification debiting the expenditure on Medical advances to the Service head of account instead of Loans and Advances head of account.

4. Reimbursement of Medical expenditure - Instructions

[U.O. Note No. 3142/K1/85-1, M. & H, Dt. 17-4-1986]

Order :-According to Rule 5(3) (ii) of the Integrated Medical Attendance Rules, all claims for refund of expenses incurred on account of the purchase of the special medicines should be preferred in the manner indicated in Appendix-Ill. According to Para

2 (ii) of the said Appendix, the reimbursement bills arising in the Hyderabad City will be scrutinised and passed for payment by the Superintendents of the concerned Hospitals. According to Para 4 of the said Appendix, claims for reimbursement should be accompanied by an Essentiality Certificate from the Authorised Medical Attendant or from the Medical Officer in-charge of the case in the hospital.

2. With reference to the provisions referred to in Para 1 above, employees, of various departments of Secretariat are claiming reimbursement of expenditure incurred by them on medicines for treatment of self and family members on the basis of essentiality certificate and certificate of non-availability of the drugs given by the Authorised Medical Attendant of the concerned Hospital and sometimes certificate of non-availability of these drugs in the Secretariat dispensary, issued by the Medical Officer of Secretariat Dispensary. The Departments of Secretariat

are referring such claims for reimbursement of expenditure to the Medical and Health Department for concurrence.

Reference of such cases to this department has been on the increase resulting in avoidable work load in this department and delay in reimbursing the claims. The Secretariat departments are therefore informed that the proposals for sanction of reimbursement of expenditure incurred by Government Servants which are in accordance with the provisions of rules referred to in Para 1 above, Viz., the claims for reimbursement of expenditure for treatment in Government Hospitals within the State which are accompanied by an Essentiality Certificate and certificate of non-availability of medicines from the Authorised Medical Attendant and when they are satisfied that the claim is in accordance with the provisions in Appendix-III to Andhra Pradesh Integrated Medical Attendance Rules, 1972, need not be referred to Medical and Health Department for remarks/acceptance. This applies to the cases referred by Heads of Departments to the Administrative Departments of Secretariat also.

3. However as provided in the note under Para 2 (ii) of the Appendix - III to the Integrated Medical Attendance Rules, 1972, all cases requiring Special sanction or relaxation ; clarification or interpretation of the State Medical Attendance Rules should be referred to this department invariably.

5. Treatment underwent in the Appollo Hospital, Madras, etc., for by-pass surgery, etc., - Certain instructions issued

(G.O.Ms.No. 69/K1/89-1,, H.M. & F.W. Dept., Dt. 14-3-1989)

Ref. :- 1. G.O.Ms.No. 317, M&H (K1), Dt. 7-5-1986.

2. G.O.Ms.No. 72, I&CAD (Irrigation Ser. II) Dept., Dt. 4-2-1988.

Order :-Certain instructions were issued in the Government Order 1st cited in respect of availment of medical treatment for Kidney transplantation and Coronary Bypass Surgery in private hospitals in the State by the Government employees. Government servants and others entitled for treatment under the Medical Attendance Rules, 1972 were permitted to undergo Kidney transplantation operation in the Mahavir Hospital, Hyderabad and Coronary Bypass Surgery in the Durga Bai Desmukh Hospital, Andhra Mahila Sabha, Hyderabad, on the letter of advice given by the Authorised Medical Attendant in the Osmania General Hospital/Nizams's Institute of Medical Sciences, Hyderabad respectively where the above operations are done. A condition was also stipulated in the G.O. first cited to the effect that those who obtain prior permission of the Director of Medical Education, Kidney Transplantation and Coronary Bypass Surgery will be eligible for reimbursement of all admissible expenditure including charges for accommodation and also for an advance as per the estimate given by the concerned hospital undertaking the operation.

2. Though the above facilities were extended to the Government employees for treatment, some of the Heads of Departments are sending proposals to Government recommending for sanction of the

claims of the Government employees for reimbursement of the expenditure incurred by them for their treatment for Coronary Bypass Surgery and Kidney transplantation, etc., in private hospitals, like Appollo, etc., outside the State in deviation of the instructions issued in the Government Order 1st cited and though relevant instructions were issued from time to time.

3. The Government after careful consideration have decided not to reimburse the claims of the Government employees who undergo treatment in Appollo Hospital, Madras or any other institutions outside the State or in Hyderabad hereafter, which are not in accordance with the instructions issued in the Government Order 1st cited unless specific prior permission is obtained from the Government.

6. Medical treatment to Government Employees - Reimbursement of Medical expenditure incurred - Fixing the maximum ceiling to *Rs. 40,0007-

[G.O.Ms.No. 281, H.M. & F.W. (K), Dt. 1-5-1989]

Note :-These orders as amended subsequently are applicable to the non-teaching staff of all Universities in the State -Vide of G.O.Ms.No. 542, Edn., Dt. 20-11-1998.

Ref. :- \. G.O.Ms.No. 170, M&H(K1), Dt. 14-3-1985.

Order :-In the G.O. first read above, orders were issued fixing the maximum limit of */**Rs. 40,0007- to Government Employees towards reimbursement of expenses incurred by them on medical treatment, subject to the condition specified therein.

However, several instances have come to the notice of the Government to the effect that Government Employees are claiming huge amounts towards medical treatment beyond the permissible ceiling limit of Rs. 40,0007- fixed by the Government.

Since the Government is providing free treatment to persons belonging to Weaker Sections of the society who are green-card-holders, the Government after careful examination have decided and direct that the maximum ceiling limit of */**Rs. 40,0007- (Rupees forty thousand only) be fixed for the State Government employees towards their medical reimbursement, whether they obtain treatment in the State Government Hospitals, or in other States in India, or outside India, includes Air Passage of patient and expenditure incurred towards Personal Attendant. If the treatment is required abroad, or outside the State, the Authorised Medical Attendant should certify to the effect that there is need for obtaining the treatment of the patient, i.e., outside the State, or outside India and prior approval of the Director of Medical Education/Government in Health Medical and Family Welfare Department should also be obtained by the person who wants to obtain treatment outside the State, and outside the Country. A certificate from the Director, Medical Education is also to be obtained by the Department concerned who process the claim putforth by the individual for sanction of the expenditure by producing the bills/ vouchers to be reimbursed. These orders shall come into force with effect from 1-5-1989.

All the Departments of Secretariat and all the Heads of Departments are informed that any claim of the Government Employees for reimbursement of their medical expenditure beyond the maximum limit of *Rs. 40,000/- as specified in Para 3 above shall not be entertained and they should issue instructions to all their subordinates to follow these orders strictly.

7. Medical Treatment - Cardiac Surgery - Free of charge to members of public belonging to weaker sections in Government hospitals - Orders - Issued

(G.O.Ms.No. 580, H.M. & F.W. (SCK) Dept, Dt. 30-9-1989)

Order :-Of late several requests are being made by the members of public directly or through their representatives for financial help towards payment of expenses on medical treatment and on cardiac surgery undertaken by certain hospitals under the control of the Government where such facilities are available. Govt. depending on the eligibility of the person and need for such medical treatment have been authorising the concerned hospitals for giving free treatment or for free cardiac surgery as the case may be with a request to send necessary bills to the Revenue Department for effecting payment towards the cost of consumable, disposables from out of Chief Ministers Relief Fund.

As requests for financial aid towards cardiac surgery are ever increasing and in order to rationalise the entire procedure the following guidelines are issued:

1. All requests made by the members of public belonging to weaker sections of society, recommended by any Department, M.L.As., MPs, Ministers, etc., shall be forwarded for examination by the Government in Health, Medical and Family Welfare Department. No representations made by any individual or representatives of the patients shall be received by any hospital either for examination or for treatment free of cost unless specific orders are issued by the Government.
2. The applicant requesting free medical treatment/cardiac surgery shall be a member of weaker sections of society and shall possess a green ration card.
3. The bonafides of the applicant requesting free treatment for his dependent shall be verified to ascertain that the dependent's name figures in the green ration card possessed by him and is the same person for whom medical treatment is sought.
4. The beneficiary shall execute a bond on a five rupee stamped paper (non-Judicial) to the effect that he/she is member of the family of the green ration card holder.
5. The applicant shall affix a passport size of latest photograph of the beneficiary/ dependent on the righthand top corner of the applicant form and also enclose a xerox copy of the green ration card before sending to the Government.

6. Government in Health, Medical and Family Welfare Department after verifying the application form and if it found that the applicant or his dependent fulfills all conditions for free medical treatment/free Cardiac Surgery necessary orders will be issued to the hospitals under the control of Government where such facilities are available for free medical treatment/free cardiac surgery and only after issue of such orders the cases shall be admitted and given free treatment/surgery. Expenditure on consumables/disposables, if any shall be met by Government from out of Chief Minister's Relief Fund.

7. The concerned hospitals where cardiac surgery is done free of Cost to any person on the orders of Government in Health, Medical & Family Welfare Department, shall at the end of every month send a statement, quoting relevant references from the Government in Health, Medical and Family Welfare Department of Health of patients, treatment given, surgery conducted and the costs involved with regard to consumables or disposables to the Revenue Department for purposes of effecting necessary payment from out of Chief Minister's Relief Fund under intimation to Health, Medical & Family Welfare Department.

8. Medical Attendance - Issuing of letter of advice to undergo treatment / Open Heart Surgery outside the State - Certain Instructions Issued

(Memo.No. 2113/K1/89-1, H.M. & F.W. Dept., Dt. 4-10-1989)

Order :-It is observed that despite the instructions issued by Govt. in Memo. No. 69/K1/89-1, HM&FW, dt. 14-3-89, the authorised Medical Attendant to hospitals on outside Govt. Hospitals have indiscriminately referred cases to hospitals outside the State for treatment/Surgery without referring such case in the first instance to the Govt. Hospitals, viz., Gandhi Hospital, Secunderabad, Osmania General Hospital, Hyderabad where such facilities are already available for such treatment or to Nizam's Institute of Medical Sciences, Hyderabad which is a "REFERRAL" Hospital. On account of this the department concerned have been placed in embarrassing situation, which lead to with unnecessary correspondence with Government.

2. Government have examined the matter carefully and direct that all the authorised Medical Attendants should refer the cases that come to them for treatment/ surgery to Osmania Genl. Hospital, Hyderabad, Gandhi Hospital, Secunderabad or Nizam's Institute of Medical Sciences, Hyderabad, of serious nature in any case they should not refer such cases to hospitals outside when facilities are available for such treatment/surgery in these government Hospitals of this State while issuing the letter of advice to Nizam's Institute of Medical Sciences, Hyderabad, they should certify that necessary facilities are not available in their Institutions. They should refer a case for Treatment/surgery outside the State only in consultation with Nizam's Institute of Medical Sciences, Hyderabad, and on obtaining a certificate that there are no facilities available in Nizam's Institute of Medical Sciences.

3. All the Medical Officers of the Hospitals, and Dispensaries in the State should adhere to the above orders scrupulously, any deviation of these instructions will be viewed seriously.

9. Facilities of admission and treatment to the pensioners and their family members in Super Specialities Hospitals - Reimbursement of medical expenditure incurred thereon

[G.O.Ms.No. 401, HM & FW (K1), Dt. 25-6-1991]

Ref. :- 1. G.O.Ms.No. 35, M&H, Dt. 26-1-1981.

3. From the Secretary, The Hyderabad Pensioner's Association, Hyderabad, Ref. No. 28/B/89/HPA, Dt. 28-8-1989.

4. From the Director of Medical Education, Lr.Rc.No.16793/MA.C/89, Dt. 4-12-1989.

Order :- In the G.Os. first and second read above, it was ordered among other that the retired Government Employees are entitled to free medical treatment in all the Government Hospitals in the State and that they are not eligible to claim reimbursement of medical expenses and for medicines purchased in the open market, if any, on the prescription of the Government Medical Officers.

2. In the reference third read above, Secretary, the Hyderabad Pensioners Association, Hyderabad has represented that pensioners are likely to fall sick frequently due to their old age and require medical attention and that due to meagre pension they cannot afford to spend huge amounts towards medical treatment. He has therefore requested that free medical aid, in all General Hospitals under the control of Government and Super Specialities Hospitals including Nizam's Institute of Medical Sciences, Hyderabad, may be provided and necessary orders will be issued in this regard.

3. After careful examination, the Government have decided to provide medical treatment to all retired Government Employees and their dependents on par with serving Government Employees. In partial modification of the orders issued in the G.Os. first and second read above, Government hereby direct that medical treatment provided at Nizam's Institute of Medical Sciences, Hyderabad to the retired Government Employees and their dependents on par with serving Government Employees who suffer with serious ailments of the Heart, Kidney, Brain Cancer or any other disease or Surgery for which facilities are not available in any of the teaching hospitals in the State and for reimbursement of the cost of the treatment including consumable and disposable and medicines direct to Nizam's Institute of Medical Sciences, Hyderabad subject however to a maximum limit of Rs. 40,000/- (Rupees Forty thousand only) or as fixed by Government from time to time as in the case of serving Government Employees. The reimbursement shall not however, be allowed if they have obtained treatment in any other private hospitals. The Nizam's Institute of Medical Sciences, Hyderabad shall take up

cases only on authorisation by Authorised Medical Attendant of any teaching hospitals as in the case of serving Govt. Employees. The Nizam's Institute of Medical Sciences, Hyderabad shall take up treatment direct to the pensioners upto the limit fixed by Government subject to scrutiny of the bills by Director of Medical Education and claim reimbursement from Government.

4. The expenditure on this account shall be met from the concerned Office/ Department from where the Pensioner worked last and retired on attaining the age of superannuation and shall be debited to the "Salaries Head" as in the case of regular Govt. Employees.

5. These orders shall come into force with effect from the date of issue of orders.

10. Nizam's Institute of Medical Sciences - Medical treatment of Govt. Employees and their dependents - Reimbursement of expenditure - Simplification of procedure - Orders - Issued

[G.O.Ms.No. 445, HM&FW(E2), Dt. 19-7-1991]

Ref. :-G.O.Ms.No. 609, HM&FW, Dt. 21-11-1988.

Order :-1. The Government have, for sometime, been considering simplification of the procedure for treatment of Government Servants at the Nizam's Institute of Medical Sciences.

The procedure has been outlined in the G.O. cited. Presently the Ni/am's Institute of Medical Sciences is regarded as referral hospital subject to the following conditions :-

(a) The Nizam's Institute of Medical Sciences will be a referral hospital other than for emergencies.

(b) Referral of patients to Nizam's Institute of Medical Sciences should be from the teaching hospital with the approval of the Head of the Departments/Speciality concerned.

(c) The referring hospital should ensure that facilities available in that hospital are fully utilised in the first instance ; and

(d) The referring hospitals should refer the cases with all details including a referral summary.

2. Under the present procedure, the teaching hospitals in the State are referring cases of Government Servants requiring specialised treatment to the Nizam's Institute of Medical Sciences whenever facilities are not available with them for treatment of various ailments. The sanction of expenditure for treatment incurred at Nizam's Institute of Medical Sciences is being regulated in terms of the provisions of the Andhra Pradesh Integrated Medical Attendance Rules, 1972. These rules require that the bills of Nizam's Institute of Medical Sciences should be scrutinised by the Director of Medical Education before sanction is accorded for payment by the concerned Heads of Departments.

3. The above procedure has been found to be cumbersome and there are some cases of delay in the referral of even emergency cases to Nizam's Institute of Medical Sciences by the teaching hospitals. The procedure of pre-scrutiny of bills by the Director of Medical Education is also causing delays.

4. After due consideration, it has been decided that Government Employees or their dependants can obtain treatment at Nizam's Institute of Medical Sciences directly for the following ailments ("earmarked categories"). In respect of these cases, referral by a teaching hospital will not be required.

(a) Acute Myocardial Infraction (Cardiology Department)

(b) Acute renal failure (Nephrology Department)

(c) Severe cases of head and spinal injury (Neuro-Surgery Department)

(d) Cases of Coma (Neurology Department)

5. With regard to the above earmarked categories, the following procedure shall be followed :-

(a) The Nizam's Institute of Medical Sciences need not insist on advance payment by the Government Servants and may commence treatment immediately taking into account the seriousness of the case.

(b) The Nizam's Institute of Medical Sciences should prepare an estimate of the approximate expenditure for the treatment and hand it over to the concerned Government Employee who, in turn may apply for advance to the concerned Head of Department. The estimate of expenditure shall be calculated only with respect to items reimbursable under the Andhra Pradesh Integrated Medical Attendance Rules. This has to be ensured by Nizam's Institute of Medical Sciences. After the advance is sanctioned the amount of advance shall be made over by the Head of Department directly to Nizam's Institute of Medical Sciences. Normally, the Head of Department should ensure that the amount sanctioned as advance reaches Nizam's Institute of Medical Sciences within a period of 15 days. The amount of advances drawn shall be adjusted by preferring claims by the respective departments with the necessary certificates and vouchers.

(c) Orders delegating powers to Heads of Departments for drawing of advances are being issued separately.

(d) It will no longer be necessary to get the bills scrutinised by the Director of Medical Education. The Nizam's Institute of Medical Sciences shall take necessary steps to scrutinise the bills in accordance with the Andhra Pradesh Integrated Medical Attendance Rules and forward them for payment to the Head of the Department concerned. The bills so sent must relate only to items of expenditure admissible under the Andhra Pradesh Integrated Medical Attendance Rules.

(e) The Nizam's Institute of Medical Sciences must make its own arrangements with the Government Employee concerned for payment with regard to items of expenditure in the bill which are inadmissible under the Andhra Pradesh Integrated Medical Attendance Rules. Likewise, the Nizam's Institute of Medical Sciences must make its own arrangements with the Government Employee concerned for payment of bills in excess of Rs. 40,000/- which is the limit for reimbursement of medical expenses incurred by a Government Servant.

6. With regard to any matter not covered by the above procedure, the provisions of the G.O. cited shall continue to apply. In respect of the other cases, viz., cases not falling under any of the above earmarked categories, the existing instructions issued in the G.O. cited will continue to be in force.

11. NIMS - Medical treatment of Govt. employees and their dependents -Reimbursement of expenditure - Simplification of procedure - Regarding

(Letter No. 2706/K1/92-1, HM & FW Dept, Dt. 30-1-1992)

Ref. :- G.O.Ms.No. 445, HM & FW, Dt. 19-7-91.

Order :-In the G.O. cited, orders have been issued identifying the earmarked ailments one each in the Departments of Cardiology, Nephrology, Neuro-surgery and Neurology of Nizam's Institute of Medical Sciences in which the Government employees and their dependents have been permitted to approach the Nizam's Institute of Medical Sciences directly for the treatment without reference from teaching hospitals in the State. It is however noticed that the cases received from other Departments for various other ailments, the Government employees and their dependents are directly approaching the Nizam's Institute of Medical Sciences for treatment i.e., other than those identified as mentioned above and others obtaining the estimates for the treatment and approaching the government for sanction of advance to obtain treatment or for reimbursement for the treatment already obtained. In the Estimation Certificates/Bills issued by the Nizam's Institute of Medical Sciences authorities, there is no indication as to whether or not, the ailments for which treatment is sought for or obtained are those identified for the treatment in Nizam's Institute of Medical Sciences as provided in para 4 of G.O.Ms.No. 445, H.M. & F.W., Dt. 19-7-1991. In the absence of such information, it has become necessary to enter into correspondence with the Departments and Nizam's Institute of Medical Sciences to Obtain the exact position in terms of the aforesaid orders thereby resulting in delay in settlement of medical claims of the employees consequently a subject of criticism.

2. With a view to avoid correspondence and consequential delay in settlement of medical claims of the Government employees/pensioners, I am directed to request you kindly to incorporate in the estimation certificate to be sent or on the medical bills to be given by Nizam's Institute of Medical

Sciences to the Government employees or retired Government employees, as the case may be, a certificate whether or not the case is covered by the orders issued in G.O.Ms.No. 445. H.M. & F.W., dated 19-7-91 or whether it meets the requirement prescribed in G.O.Ms.No. 609, H.M. & F.W. dated 21-11.1988 (i.e., reference to Nizam's Institute of Medical Sciences from a Teaching Hospital).

12. Sanction of Medical Advance for Medical treatment of Govt. Employees and their dependants in NIMS, Hyd. for certain serious diseases - Delegation of powers to Heads of Departments for sanction of Advance - Orders Issued.

[G.O.Ms.No. 86, F&P, Dt. 1-6-1992]

- Ref. :-
1. G.O.Ms.No. 609, HM&FW (E2), Dt. 21-11-1988.
 2. G.O.Ms.No. 445, HM&FW (E2), Dt. 19-7-1991.
 3. G.O.Ms.No. 184, HM&FW (K1), Dt. 2-4-1992.

Order :-In the G.O. 1st read above, Government have issued orders declaring Nizam's Institute of Medical Sciences as referral Hospital subject to the following conditions :-

1. The Nizam's Institute of Medical Sciences will be a referral Hospital other than for emergencies.
2. Reference of patients to Nizam's Institute of Medical Sciences should be from the Teaching Hospitals with the approval of the Head of the Department/Speciality concerned.
3. The referring hospitals should ensure that facilities available in that hospitals are fully utilised in the first instance.
4. The referring hospitals should refer the cases with all details including a referral summary.
5. The patients should be clearly informed that taking up of the case by the Nizam's Institute of Medical Sciences is dependent on the availability of accommodation and other facilities in the Nizam's Institute of Medical Sciences.

2. In consideration of the difficulties being experienced by the beneficiaries and also the delay involved in setting the medical claims, it has been decided to delegated the powers to the concerned Heads of Departments for sanction of Medical advances to the employees working under their administrative control in respect of the following diseases without referral by Authorised Medical Attendant vide orders issued in G.O. 2nd read above.

- (a) Acute Myocardial In Infraction (Cardiology Department)
- (b) Acute renal failure (Nephrology Department)
- (c) Severe cases of head and spinal injury (Neuro-Surgery)

Department)

(d) Cases of Coma (Neurology Department)

3. The medical claims of State Government Employees covered by A.P.I.M.A. Rules, 1972 can be broadly categorised into :

(i) Claims preferred against treatment in Govt. Hospitals/Referral Hospitals/ Recognised Hospitals.

(ii) Claims preferred against treatment in unrecognised Private Hospitals.

(iii) Claims preferred against treatments in NIMS who were admitted direct without reference by the A.M.A. under emergency circumstances to undergo treatment for the diseases noted under Para 2 above.

4. At present in respect of the claims noted against Items (i) and (iii) under Para 3 above, Government is vested with the powers of sanction of medical advances to Government Employees and their dependents towards medical expenditure incurred while undergoing treatment for certain diseases.

5. In respect of claims preferred by the individuals either for sanction of advance or for reimbursement of medical expenditure incurred for treatment undergone in unrecognised Private Hospitals the Government would not entertain such claims normally.

6. After due consideration, it has been decided to delegate the powers to Heads of Departments concerned for sanction of medical advance to Government Employees and their dependents and settlement of final bills for undergoing treatment in NIMS in respect of cases referred to under G.O.Ms.No. 445, HM&FW (E2) Dept., Dt. 19-7-91 subject to the following conditions :-

(a) the maximum amount should not exceed Rs. 50,000/- and the expenditure incurred over and above Rs. 50,000/- should be borne by the individual.

(b) The Head of the Department should ensure that the amount sanctioned as advance shall be paid to NIMS by means of Cheque/Draft within 15 days from the date of receipt of estimation of the expenditure from the NIMS.

(c) The advance drawn and paid to the NIMS shall be adjusted by preferring claims by the concerned Head of the Department within 3 months from the date of drawal of advance with necessary certificates and vouchers prescribed in A.P.I.M.A. Rules, 1972.

(d) The claim sent by the NIMS must relate only to the items of expenditure admissible under the A.P.I.M.A. Rules, 1972.

(e) The bills need not be sent to the D.M.E. for scrutiny and the claim be admitted based on the admissibility certificate issued by NIMS.

7. If a Government Servant seeks admission in NIMS vide orders issued in G.O.Ms.No. 609, H&M, Dt. 21-11-1988 the Head of the Department is competent to sanction advances and also the final bill following the conditions mentioned in Para 6 above. In addition he shall ensure that the patient is preferred to NIMS, Hyderabad by the Authorised Medical Attendant. The A.M.A. of the Teaching Hospitals with the approval of the Heads of the Departments/Specialists of the Hospital alone have to refer the cases to NIMS. Other Heads of Departments of any mofusall/Headquarters or City Hospitals who are not the Heads of Departments/Specialists of the Teaching Hospitals would not be reckoned as Authorised Medical Attendants, competent to refer the cases to NIMS covered vide order issued in G.O.Ms.No. 609, M&H, dated 21-11-1988.

8. Where the authority referring the cases to NIMS is not deemed as Authorised Medical Attendant, such cases are to be referred to Government for relaxation of A.P.I.M.A. Rules, in HM & F.W. Dept., and Finance and Planning (FW) Department for concurrence and for relaxation of A.P.I.M.A. Rules. The Head of the Department is not empowered to sanction advance if relaxation of A.P.I.M.A. Rules is involved.

9. The Government extend the facility available for Central Government Servant wherein a member of the family can also apply and draw the advance when the Government Servant is critically ill and hospitalised so as to avoid inconvenience. In such cases the wife or a legal heir of the Government Employee shall submit an application for sanction of advance to the Head of the Department under whom the employee is working in case the employee is critically ill and cannot sign the application. This facility is available to all Government Servants who avail of the facilities in the NIMS, Hyderabad under G.O.Ms.No. 445, H.M. & F.W. (E2) Dept, dated 19-7-1991 and G.O.Ms.No.609, H.M. & F.W. (E2) Department, dated 21-11-1988.

10. The advance sanctioned shall be debited to the Service Head of Account to which the pay and other allowances of the employee are being debited.

13. Provision of Corrective Glasses and Hearing Aids - Fixation of limit of expenditure for reimbursement - Orders - Issued

[G.O.Ms.No. 276, HM & FW (K1), Dt. 11-5-1993]

Ref. :- 1. G.O.Ms.No.175, HM & FW, Dt. 7-3-1990.

2. Govt. Memo. No. 2118/K1/90-1, Dt. 28-4-1990.

3. From the Director of Medical Education, Lr.No. 14845/MA B/90, Dt. 23-8-1990.

Order :-In the Government Order 1st cited above orders have been issued to amend the Andhra Pradesh Integrated Medical Attendance Rules, 1972. As per this amendment the cost of Artificial Limbs, Hearing Aids, Corrective Glasses, Artificial Teeth and Invalid

Chatirs are reimbursable to the eligible patients who are entitled to the facilities for sanction of medical reimbursement.

2. Government after careful reconsideration of the above order issued in G.O.Ms.No. 175, HM & PW, dated 7-3-1990 hereby order the cancellation of G.O.Ms.No. 175, HM&FW, dated 7-3-1990.

3. All existing claims which have been received pursuant to the issue of G.O.Ms.No. 175, HM&FW, dated 7-3-1990 will be settled by 30-6-1993. These existing claims should pertain to claims received in pursuance of G.O.Ms. No. 175, HM &FW, dated 7-3-1990, till the date of the cancellation of the Government Order.

4. For settlement of the existing claims received pursuant to issue of G.O.Ms.No. 175, HM & FW, dated 7-3-1990 the scale at which the settlements have to be made has been considered by the Government and after taking into consideration the proposals received from the Director of Medical Education the Govt. hereby decide that the maximum expenditure eligible for reimbursement to the Government Employees and their family members for settlement of the existing claims preferred by them before issue of this Government Order will be as follows :-

(i) Corrective Eye Glasses inclusive of frame	Rs.200/- (Rupees two hundred only)

5. Necessary order amending the Andhra Pradesh Integrated Medical Attendance Rules, 1972 in this regard will be issued separately.

14. Medical Attendance to State Government employees at Sri Venkateswara Institute of Medical Sciences, Tirupathi with eligibility for reimbursement / medical advance - Orders - Issued

(G.O.Ms.No. 544, H.M. & F.W. Dept., Dt. 9-11-1993)

- Ref. :- 1. G.O.Ms.No. 445, H.M. & F.W. Dept., Dt. 19-7-1991.
2. G.O.Ms.No. 184, H.M. & F.W. Dept., Dt. 2-4-1992.
3. G.O.Ms.No. 86, Fin. & Pig. (FW) Dept., Dt. 1-6-1992.

Order :-The medical attendance to State Government employees and their dependent family members is governed by the provisions of Andhra Pradesh Medical Attendance Rules, 1972. As an additional facility orders were issued in the Government Orders first read above allowing them to obtain treatment at Nizam's Institute of Medical Sciences directly without reference in the following medical situations with eligibility for reimbursement of the admissible expenditure therefore or for advance with reference to the estimate furnished by the Nizam's Institute of Medical Sciences subject to the monetary ceiling fixed by the Government from time to time.

- (a) Acute Mycardinal Infraction (Cardiology Department)
- (b) Acute Renal Failure (Nephrology Department)
- (c) Severe cases of Head and Spinal injury (Neuro-surgery Department)
- (d) Cases of Coma (Neurology Department)

In all other cases also the facility of treatment for them at Nizam's" Institute of Medical Sciences with eligibility for reimbursement or advance is made available subject to reference to that Institute by a Specialist Head of the Department of a teaching hospital and subject to the monetary ceiling as mentioned above. Orders have also been issued in the Government Order third read above delegating powers to the Heads of Departments for the sanction of advances within the monetary ceiling for the treatment at Nizam's Institute of Medical Sciences as indicated above.

2. In quite a number of cases the employees working in the border districts of Nellore, Chittoor and Cuddapah are obtaining treatment in neighbouring States and coming up with requests for reimbursement. Each of these cases are being examined on merits and such of those cases, where the required treatment is not available in State Government Hospitals within the area of the State, a liberal view is being taken and such claims are being allowed in relaxation of rules on compassionate grounds in view of the distance involved in coming to State capital.

3. Now the Super Speciality Hospital, viz., Sri Venkateswara Institute of Medical Sciences, Tirupathi, financed by Tirumala

Tirupathi Devasthanam, has commenced functioning at Tirupathi as a Society with the following specialities :

1. Cardiology
2. Cardio Thoracic Surgery
3. Neurology
4. Urology
5. Nephrology
6. Endocrinology

The President, Andhra Pradesh Non-Gazetted Officers Association in his representation fourth read above has requested for according permission for treatment at this institution as at Nizam's Institute of Medical Sciences, Hyderabad.

4. Government have reviewed the matter including the policy as mentioned in para 2 above and hereby extend the facility of treatment at Sri Venkateswara Institute of Medical Sciences, Tirupathi to all those who are eligible for Medical Attendance under Andhra Pradesh Integrated Medical Attendance Rules, 1972 on the same lines as applicable for the treatment at Nizam's Institute of Medical Sciences, Hyderabad including the eligibility for advance. Simultaneously, Government have also decided not to allow relaxation of Andhra Pradesh Integrated Medical Attendance Rules, 1972/Orders in the cases of the type mentioned in para 2 above with immediate effect.

5. These orders will have prospective effect from the date of issue of this orders.

15. Medical Attendance facilities of admission and treatment to the Pensioners and their dependants in Super Specialities Hospitals at Nizam's Institute of Medical Sciences, Hyderabad and Sri Venkateswara Institute of Medical Sciences, Tirupathi with eligibility for reimbursement/medical advance - Orders - Issued

(G.O.Ms.No. 579, H.M. & F.W. Dept, Dt. 1-12-1993)

- Ref. :-
1. G.O.Ms.No. 401, H.M. & F.W. Dept., Dt. 25-6-1991.
 2. G.O.Ms.No. 445, H.M. & F.W. Dept, Dt. 19-7-1991.
 3. G.O.Ms.No. 184, H.M. & F.W. Dept, Dt. 2-4-1992.
 4. G.O.Ms.No. 86, Fin. & Pig. (FW) Dept, Dt. 1-6-1992.
 5. G.O.Ms.No. 544, H.M. & F.W. Dept, Dt. 9-11-1993.
 6. From the President, State Govt. Pensioners Association, Dt. 16-7-93.

Order :-Orders were issued in the Government order second read

above allowing the government employees and their dependant family members to obtain treatment at Nizam's Institute of Medical Sciences, Hyderabad directly without reference in the following medical situations with eligibility for reimbursement of the admissible expenditure therefor or for advance with reference to the estimate furnished by the Nizam's Institute of Medical Sciences, subject to the monetary ceiling fixed by Government from time to time :

- (a) Acute Myocardial Infraction (Cardiology Department)
- (b) Acute Renal Failure (Nephrology Department)
- (c) Severe cases of head and spinal injury (Neuro-Surgery Department)
- (d) Cases of Coma (Neurology Department).

In all other cases also the facility of treatment for them at Nizam's Institute of Medical Sciences, with eligibility for reimbursement or advances is made available subject to reference of the patient to that Institute by a Specialist/Head of the Department of a teaching Hospital and subject to the monetary ceiling as mentioned above. Orders have also been issued in the Government Order fourth read above delegating powers to the Heads of Departments for the sanction of advances within the monetary ceiling for the treatment at Nizam's Institute of Medical Sciences, Hyderabad as indicated above.

2. In the G.O. fifth read above orders have been issued extending the facility of treatment at Sri Venkateswara Institute of Medical Sciences, Tirupathi to all those who are eligible for medical attendance under Andhra Pradesh Integrated Medical Attendance Rules, 1972 on the same lines as applicable for the treatment at Nizam's Institute of Medical Sciences, Hyderabad including the eligibility for advance.

3. In respect of State Government Pensioners, orders were issued in the Government order first read above to the effect that medical treatment be provided at Nizam's Institute of Medical Sciences, Hyderabad to the retired Government employees and their dependants on par with serving Government employees who suffer with serious ailments of the Heart, Kidney, Brain, Cancer or any other disease or surgery for which facilities are not available in any of the teaching hospitals in the State and for reimbursement of the cost of the treatment including consumables and disposables and medicines direct to Nizam's Institute of Medical Sciences, Hyderabad subject to however to a maximum limit of Rs. 40,000/- (Rs. Forty thousand only) or as fixed by Government from time to time as in the case of serving Government employees. It was also ordered therein that the Nizam's Institute of Medical Sciences, Hyderabad shall take up cases only on authorisation by Authorised Medical Attendant of any teaching hospitals as in the cases of serving Government employees.

4. The President State Government Pensioner's Association, Hyderabad in his representation sixth read above, has stated that

the pensioners are facing difficulties on account of the cumbersomeness of the existing procedure and they are also experiencing delays in the referral of emergency cases to Nizam's Institute of Medical Sciences, Hyderabad by the teaching Hospitals. He has therefore requested to issue orders extending the concessions and facilities provided to serving Government employees in G.O.Ms.No. 445, Health, Medical and Family Welfare, Department dated 19-7-1991 and G.O.Ms.No. 86, Finance and Planning (FW) Department dated 1-6-1992 to State Government Pensioners. Further, he has also requested that the Pensioners and their dependants in Rayalaseema Region and Nellore Districts may be permitted to obtain treatment at the Super Speciality Hospital, Tirupathi on the analogy of the procedure laid down in respect of Nizam' Institute of Medical Sciences, Hyderabad.

5. After careful examination, the Government here by extend the facility of treatment at Nizam's Institute of Medical Sciences, Hyderabad and Sri Venkateswara Institute of Medial Sciences, Tirupathi to the State Government Pensioners and their dependent Family member on the lines similar to those provided for serving Government employees and their dependant family members as detailed in paras first and second read above including the facility of advance to the extent of ceiling amount of Rs. 50,000/ - as per G.O. fourth read above.

16. Sanction of Medical Advance to Government employees - Reimbursement for treatment, etc., for second time - Orders - Issued

(G.O.Ms.No. 223, H.M. & F.W. Dept., Dt. 23-4-1994)

Ref. :- 1. G.O.Ms.No. 170, M&H, Dt. 14-3-1985.

2. G.O.Ms.No. 281, H.M. & F.W. Dept., Dt. 1-5-1989.

3. G.O.Ms.No. 184, H.M. & F.W. Dept., Dt. 2-4-1992.

Order :-Orders were issued in the Government orders 2nd read above fixing ceiling of reimbursement amount for the treatment obtained inside or outside India as Rs. 40,000/-. Subsequently orders were issued in the Government order 3rd read above increasing the ceiling of reimbursable amount from Rs. 40,000/- to 50,000/-.

2. The issue as to how the ceiling is applicable to Government officials was examined earlier and it was decided that it will apply to the entire treatment of an ailment including the expenditure towards tests and examination, operations if any and for post operative treatment whatever may be the duration of the treatment. Subsequently this decision was again revised in consultation with Finance and Planning (FW) Department regarding the applicability of ceiling for each spent in treatment and whether the employees can be allowed reimbursement or advance, as the case may be, according, to rules for the second and subsequent operations even including the operations for the same ailments.

3. The Government, therefore hereby order that the Government officials shall be allowed reimbursement or advance as the case may be according to rules for the second and subsequent operations even including the operations for the same ailments.

17. Medical treatment of Govt. employees/retired employees and their dependents - Reimbursement of expenditure - Treatment in private hospitals within the State and outside the State - Orders - Issued

5. G.O.Ms-No. 579, HM & FW, Dt. 1-12-1993.
6. From the D.M.E. Lr.Rc.No. 20739/MA.A/94, Dt. 9-2-1995.

Order :-The Pay Revision Commission has made certain observations in regard to the medical facilities to the Government employees and retired employees and their dependents in teaching hospitals and also private hospitals within the State as well as outside the State.

2. The Government have constituted a Committee to go into the recommendations of the Pay Revision Commission and submit suggestions/recommendations. The said committee suggested the following recommendations :

(i) that the existing system of reference of teaching hospitals shall be continued.

(ii) that they have reiterated the recommendations made in 1986 to extend the facility of wellknown hospitals outside the State also.

(iii) the maximum ceiling of Rs. 50,000/- may be continued and the same could be reviewed periodically. In respect of treatment in hospitals outside the State with the permission of the Government the bills may be settled subject to scrutiny by director of Medical Education regarding entitlements of the officials who undergo treatment in such hospitals.

(iv) Even in respect of twin cities also, where specialised treatment is available only in private hospitals which is not available in Government hospitals, the employees may be given the benefit of treatment in such hospitals subject to payment according to the entitlements and within the ceiling subject to scrutiny of bills by the Director of Medical Education.

(v) In respect of suggestions at items (ii) to (iv) above, reference from Superintendent of a teaching hospital/Superintendent of District Headquarters hospitals, except in respect of cases like "Acute Myocardial Infraction" as may be specified, shall be necessary.

(G.O.Ms.No. 175, H.M. & F.W. (Kl) Dept., Dt. 28-5-1997)

Ref. :- 1. G.O.Ms.No. 38, HM & FW, Dt. 23-1-1996.

2. G.O.Ms.No. 258, HM & FW, Dt. 15-6-1996.

3. From the President, APNGO's Association, Representation dated 22-3-1996 and representation from certain service Associations.

4. From Dir. of Medical Edn., Lr. No. (RC) 3773/MA.A/96, Dt. 9-10-1996.

Order :-In the Government orders 1st and 2nd read above orders were issued permitting the State Government Employees, both serving and retired to secure treatment in Private Hospitals within and outside the State indicating therein that under Rule 7 of the Andhra Pradesh Integrated Medical Attendance Rules, 1972, on a reference made by Nizam's Institute of Medical Sciences/Sri Venkateshwara Institute of Medical Sciences.

2. In the reference 3rd read above the Andhra Pradesh Non-Gazetted Officer Association and some other Service Associations represented that the orders issued in the Government Orders 1st and 2nd read above are not beneficial to the employees because of the condition that the employee has to obtain a referral certificate from Nizam's Institute of Medical Sciences, Tirupathi to get treatment in Super Speciality Hospitals within or outside the State and requested that this stipulation be omitted.

3. It has been observed that a number of cases are being referred to Government for relaxation of the Andhra Pradesh

Integrated Medical Attendance Rules, 1972 when the treatment has been obtained directly at the Private Hospitals without referral from Nizam's Institute of Medical Sciences, Hyderabad/Sri Venkateshwara Institute of Medical Sciences, Tirupathi in view of the serious nature of the patient and lack of sufficient time to obtain such referral letter from the hospitals stated above.

4. After careful consideration of this issue in consultation with the Director of Medical Education, the Government have decided to permit employees both serving and retired and also to their dependants, to secure treatment in the Private Hospitals recognised in the Government Orders 1st and 2nd read above, when the case is serious which required immediate treatment and there is no sufficient time to get referral letter from Nizam's Institute of Medical Sciences, Hyderabad/Sri Venkateswara Institute of Medical Sciences, Tirupathi. All the competent authorities are therefore permitted to sanction reimbursement of Medical expenses for the treatment in Private Hospitals recognised in the Government Orders 1st and 2nd read above after satisfying themselves that the patient was admitted in the hospital in a very serious condition and it was an emergency case and there was no sufficient time to obtain referral letter from Nizam's Institute of Medical Sciences, Hyderabad/Sri Venkateswara Institute of Medical Sciences, Tirupathi, if necessary after obtaining a certificate from the hospital to that effect and after obtaining copy of the case sheet. In all such cases of the treatment without referral letter, a 20% cut has to be imposed on the eligible amount after getting the bills scrutinised by the Director of Medical Education, Hyderabad.

5. All the Departments of Secretariat and all Heads of Departments are also informed that such cases covered under para 4 above need not be referred for relaxation and the authority competent to sanction the medical reimbursement can sanction such reimbursement in the above cases also. In all other cases where the competent authority though not satisfied with the alleged seriousness of the condition of the patient, but when the patient has obtained treatment at a private hospital directly on his own choice shall be referred to Government for relaxation when the Heads of Departments consider that there is genuine cause for anxiety and recommend for relaxation.

6. All Departments of the Secretariat and all Heads of Departments are informed that the rejected cases shall not be reopened and the cases pending as on the date of this order with the concerned competent authorities may be disposed of as per above order.

19. Medical Attendance to Government Employees/Retired Employees - Reimbursement of treatment etc. incurred - Raising of maximum ceiling from Rs. 50,000 to Rs. 75,000/- - Orders - Issued.

(G.O. Ms. No. 161, H. M & F.W (K1) Dept, dated 05-05-2000)

Ref. :- 1. G.O. Ms. No. 170, M & H, Dept., dated 14-03-1985.

3. G.O. Ms. No. 184, H. M & F.W (K1), Dept, dated 02-04-1992.

Order :-Orders were issued in the Government Order third read above, fixing the maximum limit at Rs. 50,000/- (Rupees fifty thousands only) to Government employees towards reimbursement of expenses incurred by them on medical treatment, subject to the conditions specified therein.

2. The President, A.P. Retired Government Employees Association and Andhra Pradesh Non-Gazetted Officers Association in their representations fourth and fifth read above, have requested the Government to enhance the ceiling from Rs. 50,000/- to Rs. 1,50,000/- since the cost of treatment is invariably exceeding Rs. 50,000/-.

3. The Pay Revision Commission, 1999 has recommended to enhance the ceiling limit from Rs. 50,000/- to Rs. 75,000/- for reimbursement of the medical expenses to State Government employees.

4. Government after careful examination of the matter, have decided that the maximum ceiling of Rs. 50,000/- reimbursable to Government employees/ Retired employees and their dependents, towards reimbursement of medical expenditure shall be raised from Rs. 50,000/- to Rs. 75,000/- (Rupees seventy five thousand only) subject to the conditions existing now. Any expenditure in excess of the enhanced ceiling limit of Rs. 75,000/- shall however be borne by the Government employees/Retired Employees and their dependents themselves. However, the procedure of requirement of referral letter by NIMS or SVIMS to obtain treatment in recognised private hospitals shall be continued.
